

WELCOME TO CURTIN!

Message from President

Greetings freshman!

First and foremost, I would like to congratulate you upon your acceptance into Curtin University Sarawak Malaysia. Our growing student fraternity reflects an environment in which students of diverse beliefs, cultures, and nationalities come together for the noblest of pursuits – to seek knowledge and gain valuable life experience. It is my hope that Curtin University Sarawak Malaysia would act as a catalyst to your future dreams and ambitions.

Living within a close-knit community presents different challenges for the student and as your friends, the Student Council is passionate in helping you to alleviate these concerns and hopefully provide for a better experience here in both living and learning. The need for balance in a student's life is very important and we seek to give you the proper avenues and facilities so that could enjoy a well balanced experience here in Curtin University.

So please feel free to chat and drop by at the Student Council office to unload or unwind!
